

# HOW TO SET UP A WAREHOUSE RECYCLING STRATEGY

 Link icon indicadtes clickable link to webpage.

1 Take an inventory of these items: Paper, Cardboard, Plastics, and Pallets.

2 [Recycling Savings Calculator.](#)

3 [Get a free recycling audit from CRI.](#)

4 Present audit to management and tell them how setting up a recycling program can benefit the company financially.

*"One mans trash, is another mans treasure"*

5 Introduce the team to the new process.

6 Good Job! You're leading your company towards a zero-percent landfill vision.
